I understand that the COVID-19 vaccine the minor above is receiving is being administered to the minor above pursuant to a U.S. Food and Drug Administration Emergency Use Authorization (EUA). I have received and read the EUA Fact Sheet for recipients of this vaccine (and/or other vaccine documentation provided to me), which fully explains to me the risks and benefits of receiving this vaccine. I agree that City of Cincinnati Health Department (CHD) has not made any guarantees to me or the minor above about the result(s) of this vaccination, and I understand that the minor above may experience side effect(s) after receiving this vaccine. After the minor above receives the vaccine, we recommend the minor above wait on site at least 15 minutes. If the minor above leaves the vaccination site before 15 minutes has passed after the minor above's vaccination, I assume any risks associated with the minor above not waiting the recommended amount of time. Depending on the vaccine manufacturer, I further understand that if this vaccine needs to be administered as a 2-dose series, I agree that I will promptly schedule the minor above's second-dose appointment as indicated.

I agree that it is my personal decision to have the minor above receive this EUA COVID-19 vaccine, and I give CHD permission to administer this vaccine to the minor above. By signing below, I further confirm that: the minor above is 12 years of age or older, I have read this Attestation or had it effectively communicated to me; any questions I may have had about it or the vaccine document(s) provided to me by CHD have been answered to my satisfaction; I understand and accept all terms of this Attestation; I am the parent or legal guardian of the minor listed above and that I have signed this Attestation voluntarily.
